We've thoroughly reviewed ExclusiveBet Casino and gave it a Below average Safety Index. This casino has some good qualities, but also a lot of negatives because of which it's better to play elsewhere. In our review, we've considered the casino's player complaints, estimated revenues, license, games genuineness, customer support quality, fairness of terms and conditions, withdrawal and win limits, and other factors. So, if you were ever wondering whether this casino is safe and legit or a scam, read the full review below to learn more.

According to our research and estimates, ExclusiveBet Casino is a smaller online casino revenue-wise. The revenue of a casino is an important factor, as bigger casinos shouldn't have any issues paying out big wins, while smaller casinos could potentially struggle if you manage to win really big.

We currently have 4 complaints about this casino in our database. Because of these complaints, we've given this casino 242 black points in total. You can find more information about all of the complaints and black points in the 'Safety Index explained' part of this review.

ExclusiveBet Casino appears on only one blacklist, which hasn't influenced our rating of this casino. We've chosen to ignore it either because it's related to the casino's previous owner, or because of some other applicable reason.

Warning: ExclusiveBet Casino has a win limit of <250,000 per spin (game round). If you win more, you will not get the money exceeding the limit. We consider any win limit to be extremely unfair to players, which is why we penalize any casino that has implemented it, unless the win limit is enforced by third-party factors, such as local regulations.

As we already mentioned, ExclusiveBet Casino has a Below average Safety Index. That means that while it's not completely bad, it does have some negative qualities because of which it's advisable to look for a better online casino to play at.
