Last week all of our Betfair colleagues gathered in London to celebrate our year so far. With the stage decked out in black and yellow neon lights, Betfair spirit was in the air! Highlights included: A warm welcome from Betfair CCO Laura Jane O'Shea, who kicked things off and offered her thanks to everybody for their incredible hard work over the last few months. People news from Emer Burke (nee Brennan), who shared updates including celebrating promotions, a brand-new graduate scheme, and welcoming new starters to the Betfair family. Graeme A. covered our new look and feel sports book which is easier to use, engaging and with vastly improved speed. Lisa Callow told us how Casino has hit record actives in Prize Pinball! While in Sport, Richard Hayward, informed us about how new customer propositions we're driving great performance. We were joined by special guest, Betfair ambassador Ian Bell who shared his thoughts and insights on The Ashes this year and took part in a Q&A with our colleagues. Betfair's very own Brett Flair also made a surprise appearance! Big thanks all around for the planning committee who arranged such a fantastic event along with the support from the venue, Hijingo Bingo. And of course to our hosts, special guests and colleagues who attended. #Betfair #SummerParty #CompanyCulture #CelebratingSuccess
