Objective [ edit ]

The format of 3, £ Ultimate Texas Hold'em is similar to other

variants of poker available in most casinos and online poker sites. Th

e 3, £ player and the

dealer will both get two cards. The player will then be allowed to loo

k at his cards

3, £ and decide if he wishes to check or raise four times the ante. An

other option available

to the player is 3, £ raising three times. If the player decides to ra

ise at any point

during the hand, the action will end from 3, £ his end.

After deciding to raise, the player

will be shown three cards which are referred to as the flop. The 3, £

other players who

did not raise before the flop will be given the choice to raise twice

the ante. Another

3, £ option available for the player would be checking. After the tabl

e has resolved the

post flop betting, the last two cards 2, £ will be revealed. By this t
